

Catering for Kids, Picnics & Al Fresco Entertaining

You are welcome at Giba Gorge MTB Park.

Giba Gorge is a lifestyle facility for those who enjoy the outdoors. Having started life as a bike park it is very popular with mountain bikers, BMX riders, and regular riders of all ages and all levels of ability. But it is also popular with those interested in hiking, organic gardening, or for people just looking for slice of paradise and somewhere to wind down.

Giba Cafe provides freshly prepared meals, coffees, juices & smoothies, in addition to providing for outdoor catering, functions and conferences. A kids tuckshop is available selling ice creams, cooldrinks, chips & sweets; and the Giba Pitstop stocks a limited supply of grocery items, airtime, take-aways & cooldrinks etc.

Vast spaces are available, and individuals and small groups are permitted to picnic on the lawn. You are welcome to bring your own home made food, and/or crisps, sweets, cooldrinks etc. *However food from outside restaurants/takeaways/professional caterers are not allowed into Giba, and groups of 20 adults or more must be catered for by the Cafe. No braaing is permitted, and no alcohol may be brought into the premises. Anyone found to be in possession of alcohol, either on their persons or in a vehicle, will be asked to leave the park.*
